

Dear Quarterbackers,

The Knoxville Quarterback season kicks off Monday, September 8<sup>th</sup> at Calhouns on the River at 11:30am, with Head Coach Phillip Fulmer as our featured speaker.

The opening game for the Vols is now in the rear view mirror, and the result of the game looked similar to a rear view as well. But hey, we must put this behind us because we have a long season ahead and every goal is still within our reach and control.

I always imagined that speaking to any group after such a disappointing game, would have to be the toughest part of a head coaches many duties. Let's make sure we all come out to support Coach Fulmer, celebrate our high school players of the week and get ready for our home opener against UAB.

We have an outstanding lineup of speakers again this year, and hope that you will start it off with your attendance at Calhouns.
